

Ron Wolf Recognized for Outstanding Commitment to Aviation Parts Distribution

Vice President of Quality Assurance and Facility Operations Receives ASA's Glueckler Award

Immediate Release
10 July 2017

Reston, VA – Executive at AerSale, Inc., Ron Wolf received the annual Edward J. Glueckler Award during the 2017 ASA Annual Conference. Colleagues presenting the award noted Mr. Wolf's leadership and involvement in the ASA Quality Committee, and promotion of quality as the most important reasons for his selection.

"Ron's commitment and passion to quality and doing the job right has always shown through. Ron has a pragmatic approach to solutions that benefit not only the distributor but also the customer", said ASA President, Michele Dickstein. He is has always taken the time to mentor new people and work with ASA and industry."

Bob Nichols, Principal at AerSale, provided his congratulations via taped video and commended Ron on his dedication to safety, efficiency and always putting quality first.

The ASA Annual Conference held this week in week in Reston, VA focuses on quality, legal/regulatory and business issues affecting the aviation parts distribution industry. Named for the founder and first President of the Aviation Suppliers Association, The Edward J. Glueckler Award is presented each year at the conference in recognition of outstanding commitment, dedication and contribution to ASA and the aviation industry.

Aviation Suppliers Association

Celebrating over 20 years in the industry, the Aviation Suppliers Association (ASA), based in Washington, D.C., is a not-for-profit association, representing more than 615 global member companies that are positively shaping the aviation industry. Collectively, they lead critical logistics programs, purchasing efforts, and distribution of aircraft parts world-wide. Member companies include: distributors, suppliers, surplus sales organizations, repair stations, manufacturers, airlines, operators, and other companies that provide services to the aviation parts supply industry. In addition, 350 companies have received global accreditation to the ASA-100 Quality System Standard and FAA Advisory Circular 00-56 since 1996. The Aviation Suppliers Association Certification Body (ASACB) is an ANAB accredited certification body for ISO 9001:2015, AS9100, AS9110 and AS9120 audits.
